CRICKET FOR ALL'S WINTER ACADEMY PROGRAMS

Here at Cricket For All (CFA) we are proud to host the biggest cricket academy program in South Australia, with well over a hundred young cricketers enrolled in one of our many inclusive programs in 2023. Our academies have provided boys and girls of Adelaide with the skills and knowledge to take their game to the next level and achieve their cricketing goals.

Our coaching philosophy is governed by the principles of players scoring runs and taking wickets; learning how to do so through replicating game situations and developing skills to improve decision making whilst playing games.

Through our cricket academies we aim to develop players' skills in all aspects of cricket by facilitating a competitive but nurturing environment where players can learn and express themselves to build confidence in their skills and as cricketers.

Through a combination of group and one-on-one sessions, players will have the opportunity to work with our coaches personally and in small groups to maximise their growth over the course of the academies. These sessions will utilise a variety of training methods to develop well-rounded skill sets and with the aid of state-of-the-art video analysis and an experienced coaching panel, we believe we have all the tools to develop any cricketer's game.

CFA Cricketing Pathway

The CFA Winter Cricket Academy Programs are designed to streamline development and ensure boys and girls of all ages, experience and ability are given every opportunity to excel. Our programs are in place to drive player development and enjoyment whilst guiding young players all the way from an introductory level in the Youngstars Academy, right the way through to Senior cricket in the Under 18 and High Performance Academies. We have seen many of our graduates go on to achieve higher honours, representing South Australia across a range of junior senior national competitions.

**CFA'S WINTER ACADEMY
PROGRAM IS NOW THE
LARGEST IN
SOUTH AUSTRALIA**

UNDER 16 ACADEMY

The CFA Under 16 Winter Academy is designed to develop player's skills in all aspects of Cricket while continuing to enforce good training habits. Players will have the opportunity to develop their skills with our experienced coaches who will create and facilitate a variety of engaging and competitive environments. Our Under 16 graduates will be better prepared to perform in Community, School and District competitions, from where they can push for further selection in representative, district, state, School First XI and senior squads.
